

Early Childhood Conference

Door Prize Donations Requested

The AMA Great Start Collaborative will once again be holding an Early Childhood Conference in May of 2018 on the Alpena Community College campus. This year's conference, focused on the social and emotional health of children, will feature world renowned author and early childhood expert, Ellen Booth Church (www.ellenboothchurch.com) as the keynote speaker. Multiple other presenters and breakout sessions will be available throughout the day. The AMA GSC Early Childhood Conferences are very well attended with last year's enrollment hitting the max of 120 people well before the two week window to register ended.

We are currently looking for assistance with the conference from local businesses in the form of donations that may be utilized as door prizes.

This is a great opportunity to show support for the Great Start Collaborative's Early Childhood Conference while showcasing your business. All donors will have their logo included in the 2018 program and will receive recognition on the AMA Great Start Facebook page. (www.facebook.com/amagreatstart4kids)

All donations, big or small are welcomed. To coordinate your donation pick up or find out more information contact Malinda Amlotte, Great Start Parent Liaison, at 989-354-3101 ext 222 or email amlottem@amaesd.org. The deadline for notification of your intention to donate, so that you may be included in the program is February 15th.
